# Decision to Terminate the Registration of Graduate Student Muhammad Imam AMMARULLAH

21 May 2024

To all units concerned,

Muhammad Imam AMMARULLAH, male, SUSTech ID:12331130, is a doctoral student of the Department of Mechanics and Aerospace Engineering enrolled in 2023. The student failed to register before the deadline set by Southern University of Science and Technology (hereafter the University) nor requested late registration.

The University has decided that, in view of the above facts, the student's registration should be terminated according to Article 21, Item 6, the *Regulations on the Administration of the Student Status of the Graduate Students in Southern University of Science and Technology*.
